

Friends and Family Test Results

October 2018

Thank you to the patients who completed the Friends and Family Test survey in October 2018.

The Practice received 182 responses for Question 1 during this month.

88% stated that they were likely or extremely likely to recommend our practice to their friends and family.

The Practice has recently changed their appointment system and we were after feedback from patients on how the new system was working and whether there had been a considerable increase in patient satisfaction.

The Practice received 7 responses for Question 2 during this month.

71% stated that their experience of making an appointment was excellent, very good or good.

Thank you to all the patients that have taken the time to participate in our monthly survey.
